*Financial figures on this page solely reflect SGA ministry for the fiscal year ended 6/30/14. Revenue activities totaling the ministry report total for 2014 calendar year.*

SGA President

January 6, 2014, marked the 80th anniversary of the founding of SGA by Peter Deyoumo, a young immigrant from Bulgaria. His powerful gospel preaching to Russian-speaking people all over the world combined with his powerful testimonies to English speakers earned the moniker “Peter Dynamic.” His commitment to prayer and ministry “with much prayer much power, little prayer little power,” is remembered all over the globe. What God has done through this little mission has been more than remarkable. For far more than 1,000 current students; more than 4,000 churches have been planted; and 349 missionary pastors continue planting new churches. Tens of thousands of orphans have been reached through SGA-sponsored missionary pastors. Nearly 400 Russian language books have been published and distributed for biblical training and Gospel advancement.

The past year—2014—has been a momentous year in many ways. While the political, military, and related refugee crisis in Ukraine captured much attention from around the world, other important events unfolded day-by-day. Our gracious God and Father continued to draw answers to your prayers and the results of God blessing your faithful support. We trust that you will be blessed and encouraged as together, we rejoice with our gracious God and Father.

Beyond the political turmoil and conflict, are hundreds of thousands of unchurched individuals who are hearing the Gospel proclaimed through the faithful national Bible preaching churches that SGA supports throughout the Commonwealth of Independent States, as well as to churches in other countries.

We give thanks to you, O God, we give thanks, for Your name is near; men declare Your wondrous works (Psalm 75:1).

Thanksgiving Day

2014 was an awesome year. Our great God did in so many wonderful things. He gave growing new ministries in Russia to Buddhist alcoholics and drug addicts in Israel; a record enrollment of 300 students at Yerevan Biblical Seminary, the launching of online classes at Novosibirsk Biblical Theological Seminary and at Israel College of the Bible; the translation of Dr. Chuck Missler’s Biblical Apologetics; the completion of many thousands of kostenloses (as in cost free) Russian literature given to people throughout the world; full-time workers in Beirut who are planning a major conference for pastors near the end of the month (July 29-Aug. 2); and many more exciting developments.

**Global turmoil and conflict cannot stop our Lord Jesus Christ from building His Church!**

SGA has supported and ministered to more than 1,000,000 people in 27 major countries. We are blessed to have the honor of serving you and the missions of the SGA family. We thank God for a wonderful year of growth, and we look forward to another exciting year in 2015.

2015 will be a year of expansion, growth, and new partnerships. SGA will continue to grow and reach new areas in the former Soviet Union and beyond. We are excited to witness the growth and impact of the SGA family and the results of God’s faithfulness to us and our partners.

We know that God has a plan for us and we are excited to see what He will do in 2015 and beyond. We encourage you to pray for us and the SGA family and to continue to support us in our mission to spread the Gospel and reach the lost with the Good News of Jesus Christ.

In the fall of 2014, SGA President Dr. Beltz Prouty led the first SGA Biblical Seminary review committee to the Ministry Center in Kiev, Ukraine. Attending were the key leaders of seven evangelical seminaries and Bible institutes in Ukraine, Russia, Belarus, Kazakhstan, and Tajikistan, and a few key leaders were present by video. The purpose was to review progress and affirm missionary pastors, many of whom were planting new congregations in towns and villages that had no prior Gospel voice. Those leaders were impressed that more than 148 in Ukraine, 117 in Russia, 40 in Belarus, 37 in Kazakhstan and 16 in Tajikistan. The new leaders who were involved are trained by the Training Ministry in Kiev. Dr. Beltz Prouty and Dr. Igor Yaremchuk, president of Irpen Biblical Seminary have worked together to bring accreditation for five years. The leaders also reviewed the mission of SGA-sponsored theological schools in Ukraine, which are training leaders for the more than 1,500 congregations that are being supported. Those leaders also were able to encourage their students and to pray for the needs of their students in the second year of their training.

In addition, a new group of students has begun college-based training in Jerusalem, Ashkelon, and Jerusalem. In addition, there was established a new certificate program, and plans were developed to launch a Bachelor’s Degree in Bible in 2015. In addition, there was the opportunity to continue their studies into the second year of the student’s training.

2014 Ministry Report

In 2014, SGA Ministry emphasis was on continued expansion of the Antioch Initiative in 2014. Thirteen training ministry sessions were held at Antioch locations in Russia, taught by 23 pastors and teachers from the supporting North Caucasus nations. The ministry of SGA-sponsored missionary pastors were greatly impacted by the pro-actively expanding training ministry through the dangerous growing opposition and persecution of this unique training ministry for Christians in the nations of Central Asia. Ukrainian pastor, whose church was destroyed by Caravans, and has had to temporarily close their church as the city reconstrains their families during the Ukraine to other parts of Ukraine due to the destruction of their homes caused by the military conflict. They plan to return to warmer weather as the conflict is being controlled in warmer weather.

We praise and thank the Lord for more than 500 unreached children and families, their families who have been provided with clothing. Some pastors had to temporarily relocate their congregations because of the war, which is being supported by the SGA’s Crisis Evangelism Fund (CEF). In addition, warm clothing was provided for more than 750 children through the Meeting Valley). The president of the Ministry of Evangelical Christians-Baptists, there are three missionary pastors in Moscow, and a maximum of 1,000 young people for the special conferences held annually with the sponsorship of SGA’s Ministry.

Vibrant Evangelism and Zealous New Churches

In February 2014, SGA/Canada partners supported the National Youth Conference in Moscow with 300 youth leaders in attendance. The theme for the conference was the Way of the Lord and focused on an apologetics character, leadership, growth in personal relationship with Christ, apologetic training for the church, and overall society. SGA sponsored Russian ISC youth leaders have settled and published their manuscript in more than 90 countries, distributed more than 600,000 copies of the children’s book, Call a Creature Your Teacher, by the Bible Society of Russia to faith and to extend His Kingdom in Russia. They plant new congregations in towns and villages and their congregations continue to bloom and multiply. In the fall of 2014, SGA president Dr. Bob Provost led the first SGA/Canada brigades to visit Russia and four other SGA Ministries in Europe and Central Asia, including Hungary, the Czech Republic, Poland, and Estonia. The intent of the CEF is to help local pastors who have few resources and enable their churches to distribute vital food aid even for those that had been shattered by guns and shelling. All of this aid was distributed through SGA-sponsored Bible distribution centers, which were able to continue their efforts to rebuild and to provide aid to the destitute. Church youth across the CIS are eagerly participating in the outreach ministries of their local churches. The Lord continued to work wonderfully through the SGA-sponsored Youth IN Ministry program. The evangelical churches we serve are also reaching out effectively to youth and adults, and there has been a significant growth in the numbers of Central Asia.

The Lord continued to work wonderfully through the SGA-sponsored Dukhovnoye bible (Bible) ministry. A total of 535 orphanages were served in the Russian Federation alone. More than 500 children were reached and more than 530,590 Russian Bibles were distributed to the members of 79 churches. We also support the ministry of 135 churches. A total of 156 orphanages have been “adopted” from an orphanage are still being taken care of by the church leaders. We plan to remain in warmer weather as the Lord allows. The SGA mission's Aaron Sarsons are serving in 15 countries, and they are working to help the churches in their mission of advancing the Gospel.

Training ministries continued to expand in Israel. At Israel College of the Bible, 28 Russian students were able to continue their studies, encouraged by the brave work of the visiting faculty that participated in the certificate program, and plans were developed to launch Bachelor’s Degree in Bible in 2015. In addition, there were two congregation-based training centers in Jerusalem, Atlit, and Beer Sheva. In addition, they are studying in the SGA-sponsored Dobromirske Seminary in Kyiv, Ukraine, and Irpen Seminary in Tambov, Russia.

Global turmoil and conflict cannot stop our Lord Jesus Christ from building His Church!

There were a number of key training highlights in 2014. In spite of the war, the two Ukraine seminaries together have seven more students than last year. Lypens Biblical Theological Seminary has a record enrollment of 380 students. More exiting, however, is that our Bible institutes in the Muslim Central Asian countries together have 25 more students than last year. Novosibirsk Biblical-Theological Seminary in Russia began a distance, Internet-based offering for our Savior. The total enrollment at the two world’s OCA Christmas outreach. Through the faithful prayers and sacrificial support of our partners, and the labor of love our SGA staff and supported national Gospel workers, God has done great things for the glory of Christ. We thank our Lord for you and for your vital partnership with us in our praise and thanksgiving to Him.

**A Word From Our President**

January 6, 2014, marked the 80th anniversary of the founding of SGA by Peter Demidov, a young immigrant from Belarus. His powerful Gospel preaching to Russian-speaking people all over the world combined with his powerful exhortations to English speakers earned the moniker “Peter Dynamo.” He committed his prayer and writings, “Thus proclaims much power, little prayer little power,” to remember all over the globe. What God has done through this little mission has been more than remarkable. So far, more than 1,000 current students; more than 4,000 churches have been planted; and more than 8,000 servants of Christ have been trained for ministry and there are more. We give thanks to you, O God, we give thanks, for Your name’s sake. What God has done through this little mission has been more than remarkable. All荣耀归属于主。
